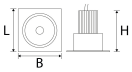
Livia Single 10-830-800LM



Product information "Livia Single 10-830-800LM"

Recessed ceiling spot

Litegear® Livia is a stylish ceiling recessed spot with a brushed aluminum frame. Livia is available in 3 different versions, from one to three adjustable spots. Each spot is equipped with a COB LED chip. The light is concentrated in a reflector and is therefore ideal for accentuated lighting. The individual light inserts can be rotated and swiveled around an axis (+/- 20 °). Each LED chip requires an external power supply. The light color is very pleasant for living areas, conference rooms or sales areas. The high efficiency ensures fast amortization with extremely low follow-up costs compared to halogen downlights.
Please order suitable power supply! see accessories

Technical Details:

Luminous Flux	800 lm
Light Yield:	80 lm/W
Light Temperature:	3000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	4
Power Consumption:	10 W
Operating Hours:	>30.000 h L80/B20
Switching Cycles:	>50.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	aluminum
Housing Color	silver
Coating:	anodised
Pivot Range pan:	360 °
Pivot Range tilt:	20 °
Dimensions	94x94x80 mm
Cut-Out Dimensions	77 mm
Net Weight:	242 g
Warranty	3 years
