

Grandeia 48-840-2900LM IP44

Product information "Grandeia 48-840-2900LM IP44"

LED Ceiling light

The Litegear® Grandeia LED ceiling lights are made to be installed on or in ceilings or walls in corridors, rooms or staircases. They have a low power consumption and a long lifespan. The LED light has no IR wavelength hence, so that you will feel no heat immersion on your skin. Grandeia is a stylish design LED surface light with high lightoutput and low glare. Litegear Ostrea can easily replace lamps with with energy saver lamps.

This LED ceiling lights has a timeless design and is easy to instal. On strong advantage of LED is the full light output straight after switching them on. No wait time as known from lanterns with CFL lamps. Litegear® LEDs are free of mercury or other toxic substances. Reliable LED technology with hugh powersaving and low maintenance costs. LED board can be exchanged for service. Litegear® Grandeia timeless design compared with energy saving LED technology.

Technical Details:

Luminous Flux	2900 lm
Light Yield:	60 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Power Consumption:	48 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L80/B20
Switching Cycles:	>50.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 50°C
Housing Material:	aluminum
Housing Color	white
Coating:	lacquered
Dimensions	454x105 mm
Net Weight:	2300 g
Warranty	5 years
