

Mean Well DAP-04 Dali to 0-10V Converter

Product information "Mean Well DAP-04 Dali to 0-10V Converter"

DALI-PWM Signal Converter

The Meanwell DAP-04 extends Meanwell power supply units with a PWM controller- DALI interface and the push dimming function. The controller has 4 output channels that are all separately controllable via DALI. Additionally, the controller has an internal relay which can switch off the plugged in power supply when the dimmer is set to 0 on channel 1. It is perfectly suited in combination with the Meanwell LPF- and HLG series.

Product Features:

- DALI and push dimming function input
- 4 output channels
- up to 20 power supply units per channel
- Relay to switch off the power supplies(8A continuous current, 50A start-up current)
- selectable dimmer performance (linear/logarithmic)

Technical Details:

- Mains input: AC 90 - 305V, 47 - 63Hz
- Housing: Plastic
- Power consumption: 0,5W
- Input signal: DALI or push DIM
- Dimmable: 0 - 100%
- IP Class: IP20

Dimensions: (WxHxD): 165 x 46 x 23 mm

Weight: 0,150kg

Technical Details:

Ambient Temperature (TA):	-30°C - 60°C
Housing Material:	plastic
Housing Color	white
Dimensions	165x46x23 mm
Net Weight:	160 g
Warranty	3 years
