

Fina Circle UP 300 24-830-2040LM

Product information "Fina Circle UP 300 24-830-2040LM"

Surface mounted LED luminaire

Litegear® Fina Up LED surface mounted flat luminaire with edge lighting technology for installation on walls and ceilings. Very elegant and timeless design with integrated LED driver. Very homogeneous light distribution and high brightness. Ideal for lighting of retail areas, lobbies, aisle or offices. Light with low glare. Very stylish and time less design. Long lifespan and low power consumption.

Fina Up Series can be ordered in different sizes and shapes: round or square. The cooling of the LEDs are embedded laterally over an aluminum housing. Litegear® luminaires are equipped with quality LED chips with good color rendering. Thus, the color of the illuminated products can be reproduced with almost natural colors.

Technical Details:

Luminous Flux	2040 lm
Light Yield:	85 lm/W
Light Temperature:	3200 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	5
Power Consumption:	24 W
Power Factor (PF):	0.9
Operating Hours:	>35.000 h L70/B50
Switching Cycles:	>25.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	aluminum
Housing Color	white
Coating:	powder-coated
Dimensions	300x40 mm
Net Weight:	890 g
Warranty	2 years
