Lipal Sockellicht 3-830-48LM WH

Product information "Lipal Sockellicht 3-830-48LM WH"

LED pedestal light

The Litegear® Lipal is a decorative and elegant LED pedestal light made of high quality aluminum for wall mounting. An LED radiates indirectly and glare-free via a stepped profile downwards. Lipal is the ideal recessed luminaire to illuminate stairs, corridors and sidewalks discreetly and decoratively. An efficient and durable LED technology ensures a reliable, long-lasting operation. The perfect, timeless design harmoniously adapts to any environment. Lipal comes with a inwall-mounted box and is protected against dust and humidity outdoors according to the IP65 standard. Since the luminaire depth is only 56mm there is enough space in the wall socket to connect the 230V wiring. The inwall box can be fixed by means of two lateral brackets or alternatively glued.
Lipal is available with white or anthracite colored housing.

Applications:
- living room
- bedroom
- corridor
- staircase

Technical Details:

Luminous Flux	48 lm
Light Yield:	16 lm/W
Light Temperature:	3000 K
Color Rendering Index (CRI)	≥84 Ra
Color Consistency (SDCM):	4
Power Consumption:	3 W
Power Factor (PF):	0.5
Operating Hours:	>30.000 h L70/B20
Switching Cycles:	>25.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	aluminum
Housing Color	white
Dimensions	80x80x90 mm
Cut-Out Dimensions	65,5x65,5mm mm
Net Weight:	256 g
Warranty	2 years
