Product Information

Order number: LG5484

Element WS ENOCEAN MONO DIM RF 01

Product information "Element WS ENOCEAN MONO DIM RF 01"

CONTROLS / ELEMENT SERIES

For comfortable control of LED strips and low-voltage lights, we offer various systems. You can choose between wireless, Wifi or DMX connection and benefit from the respective advantages.
WS ENOCEAN MONO DIM RF 01
The Wall remote control is a 1-Channel Button/ Dimmer. A short Press on I / O can be used to switch the suitable controller on or off.
Through longer pressing the button I/O dims up or down.
Flicker-free dimming of 1-100% . The range is 20m in the space. For remote control you need a suitable converter. Batteryless with Enocean -Technology. In contrast to "conventional wireless systems", Enocean is characterized by its "energy harvesting", whereby the sensors or switches mostly work without batteries. The energy for the radio signal is generated in the switch itself. The switch is maintenance free

Technical Details:

Ambient Temperature (TA):	-10°C - 35°C
Housing Material:	plastic
Housing Color	white
Zones:	1
Channels:	1
Dimming:	1-100%
Transmission Frequency:	433/868.3MHz
Dimensions	86x86x14 mm
Net Weight:	114 g
Warranty	2 years
