# Nava Square 200 18-CCT SELECT-1620LM

## Product information "Nava Square 200 18-CCT SELECT-1620LM"

recessed luminaire with illuminated glas ring

Litegear® Nava LED recessed luminaire with illuminated glass rim for installation in suspended ceilings or plasterboard walls. Easy installation thanks to snap-in spring holder. Very homogeneous light distribution and high brightness. Ideal for illuminating retail areas, entrance halls, corridors or as a complement to offices. Very nice design light with low installation depth and external driver. CCT selct: 3000K warm white, 4000K natural white.

Nava LED recessed lights are available in different sizes and shapes: round or square. Nava is the perfect replacement for recessed luminaires with halogen lamps or CFL energy saving lamps. Due to the low price, the replacement of existing luminaires by Nava models pays for itself very quickly.

Applications:
residential, office, toilet, corridors, hotel, shops
