Quadura PRO Square 62-29-840-4000LM WH

Product information "Quadura PRO Square 62-29-840-4000LM WH"

Recessed luminaire for computer workstations with particularly high requirements

Quadura Pro is an elegant, flat LED recessed luminaire with a perfect glare reduction UGR < 19 and a high system efficiency of up to 140 lumen / watt. The modern design stands out from conventional grid lights or LED panels. Quadura Pro is an outstanding alternative with a beam angle of around 95 °. The LED lamp comes with a LED driver and has a power consumption of only 29W with a high luminous flux of over 4000 lumens. The light color is natural white and perfect for offices, hospitals, laboratories, schools or retail spaces. Quadura can also be suspended from ceilings with optional steelwire set.

- Driver: included in the delivery package, we also offer dimmable LED drivers as an option. see accessories
- high system efficiency up to 140lm / W
- Long life: 80,000h L70
- elegant design with perfect glare control UGR: < 19
- fast amortization and high energy savings due to low power consumption: only 29W with 4000 Lumen same luminous flux as panel with 40W and 100lm/W

Technical Details:

Luminous Flux	4000 lm
Light Yield:	138 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	3
Power Consumption:	29 W
Power Factor (PF):	0.98
Operating Hours:	>50.000 h L90/B10
Switching Cycles:	>100.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	steel
Housing Color	white
Coating:	powder-coated
Dimensions	620x620x26,5 mm
Net Weight:	6040 g
Warranty	5 years
