

IRA-L 22-840-1980LM-IP44

Product information "IRA-L 22-840-1980LM-IP44"

LED wall - / Ceiling light

- LED longlife technology with high energy saving
- replacement for 2 x 26W G24 energy saver lamps
- timeless, crown design
- priliminare weather and dust proof
- compact housing
- applications: stoarage rooms, corridors, residential, bath room, outside under canopies,
- easy installation

Technical Details:

Luminous Flux	1980 lm
Light Yield:	90 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	4
Power Consumption:	22 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L70/B50
Switching Cycles:	>50.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	steel
Housing Color	white
Coating:	powder-coated
Dimensions	410x103 mm
Net Weight:	807 g
Warranty	3 years
