

Lunara ECO MKII 200-740-30000LM

Product information "Lunara ECO MKII 200-740-30000LM"

LED Flood Light

Litegear® Lunara Eco is a compact LED outdoor floodlight with an excellent performance to price ratio. High Efficiency from 100 to 130 Lumen/Watt. Due to the use of aluminum diecast housing, Lunara has an excellent thermal management and weather resistance. Lunara is the perfect solution for use in factories, gardens, parking areas, architectural applications or mobile for construction work. You can use it permanently outside in rough environment conditions. We use very efficient LED chips with a high light output. SMD chips have an optimized heat dissipation to guarantee a long lifespan. After switching on the luminaire, you have an instant full light without infrared waves, which allows you to use it more closely to heat-sensitive materials and makes working in front of the floodlight more convenient and less sweaty. Lunara Eco floodlights are perfect for replacing traditional halogen R7s floodlights and can save up to 90% electricity costs. A quick Return on Investment is guaranteed. Lunara is equipped with reliable LED chips from Philips Lumileds. Widebeam angle 120 degrees to light up large areas.

Technical Details:

Luminous Flux	30000 lm
Light Yield:	150 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥70 Ra
Color Consistency (SDCM):	3
Power Consumption:	200 W
Power Factor (PF):	0.95
Operating Hours:	>50.000 h L80/B20
Switching Cycles:	>100.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 45°C
Housing Material:	aluminum
Housing Color	black
Coating:	powder-coated
Pivot Range tilt:	90 °
Dimensions	500x375x63 mm
Net Weight:	5490 g
Warranty	3 years
