

Cappila XTreme 1500 45-840-6500lm

Product information "Cappila XTreme 1500 45-840-6500lm"

Tough Industrial luminaire

Litegear® Cappila XTreme is a robust damp and waterproof LED fixture. Cappila XTreme is available in different lengths and different power classes.

The body is made from strong polycarbonat (PC) or Polypropylen material PP. All electric components are mounted in the plastic tube. Wires can be connected by IP68 waterproof plug to keep moisture outside. For easy installation 2 stainless steel brackets are included. Steel ropes for hanging can be bought separately as an accessory. Cappila XTreme is developed for parking lots, food factories, industrial sloughery, warehouse or to be used in truck service area. You can find more details in our extra Litegear Cappila brochure. This waterproof luminaire is equipped with long lasting and efficient LED technology to reduce cost for electricity and maintenance to a minimum. Cappila XTreme is Rohs compliant, hence free of mercury or other toxic materials. Litegear produces reliable quality. Long LED lifespan and almost no maintenance costs. Many benefits for an affordable luminaire that can easily convince customers to go for this innovative Litegear® LED series. Suitable for use in HACCP, IFS, and/or BRC Global Standard Food certified companies.

Technical Details:

Luminous Flux	6500 lm
Light Yield:	144 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	4
Power Consumption:	45 W
Power Factor (PF):	0.95
Operating Hours:	>70.000 h L80/B50
Switching Cycles:	>100.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 50°C
Housing Material:	Polycarbonat
Housing Color	white
Dimensions	75x1500 mm
Net Weight:	2488 g
Warranty	5 years
