

Ekova 150 50-840-7500lm

Product information "Ekova 150 50-840-7500lm"

IP65 LED triproof light

Ekova by Litegear® is the perfect alternative to conventional moisture-proof fluorescent tube luminaires. Simply dismantle the old luminaire and replace it with a almost maintenance-free Retrova LED luminaire. An expensive retrofitting with LED tubes and necessary rewiring of luminaires with electronic ballasts is no longer necessary. For almost the same price you get a completely new luminaire replacement with long-lasting LED technology and higher efficiency. Fast amortization with up to 65% electricity savings. Retrova can be mounted as a wall or ceiling light or suspended by means of optional steel cables. Retrova is very robust with IP65 ingress protection and IK08 impact class protection.

Applications:

warehouse, seller, storage rooms, outdoor, cold storage, car service, factory, workshop

Advantages:

- wire through terminals 3 pin
- flexible installation brackets and stainless steel clip lockers.
- easy to change light carrier board with electrical terminal with in/out/trough link function
- Low surface temperature below 80°C

Technical Details:

Luminous Flux	7500 lm
Light Yield:	150 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	3
Power Consumption:	50 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L80/B20
Switching Cycles:	>100.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	Polycarbonat
Housing Color	grey
Dimensions	1510x90x72 mm
Net Weight:	1684 g
Warranty	3 years
