

ENCORA-LINE 1200-40-CCT-4800LM BEG 120lm/W

Product information "ENCORA-LINE 1200-40-CCT-4800LM BEG 120lm/W"

Dampproof LED luminaire with selectable CCT

- robust and weatherproof batten light IP65, IK08
- CCT selectable light color via internal switch: 4000, 5000, 6500 Kelvin
- Power Select switch: 20/40 Watt
- Power link via internal terminal blocks on both ends: 3 x 1,5mm² internal wires
- tool free and easy endcaps with latches for fast installation.
- High system efficiency: up to 125lm/W
- Easy and fast installation with slideable metal clips, old drilling holes can be reused and save time. Clip can be tightened with additional screw and including chain hook.
- For wall and ceiling installation
- Smart connection: Can be easily connected in series with optional connection parts
- Can be used in locations with HACCP, IFS and/or BRC Global Standard Food certified companies.

Applications:

seller, warehouse, workshop, garage, storage rooms, restrooms rooms, outside under canopies

Technical Details:

Luminous Flux	4800 lm
Light Yield:	120 lm/W
Light Temperature:	4000,5000,6500 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	4
Power Consumption:	20,40 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L80/B20
Switching Cycles:	>50.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	Polycarbonat
Housing Color	white
Coating:	UV geschützt
Dimensions	1200x61x73,5 mm
Net Weight:	1000 g
Warranty	3 years
