Estella VARIO CCT 80-927-950-9320LM Dim Sensor

Product information "Estella VARIO CCT 80-927-950-9320LM Dim Sensor"

LED office floor lamp

The Estella Vario CCT is an elegant floor lamp for perfect illumination of desks in open-plan offices and executive floors. The luminaire only needs a socket near the desk and can therefore be flexibly set up. The combination of direct and indirect light with the stepless selectable CCT light color ensures homogeneous illumination. The brightness level for direkt and indirekt can be adjusted individually. The lower optical cover is provided to reduce the glare effect UGR < 16 due to DIN EN 12464-1 , with a microprismatic diffusor. This technic protects the eyes and increases the concentration at work. The brightness of 500 Lux can beautomatically controlled via the sensor button. An integrated occupancy sensor will switch of the luminaire after half an hour when you have left the workdesk. Both functions can be disabled. Flat steel foot that can be shoven under the foots of the desk. This floor lamp is delivered in 2 parts for a compacter transportation box. Available in 3 housing colors: black, white, silver

Technical Details:

Luminous Flux	8800 lm
Light Yield:	114 lm/W
Light Temperature:	2700-5000 K
Color Rendering Index (CRI)	≥90 Ra
Color Consistency (SDCM):	2
Power Consumption:	77 W
Power Factor (PF):	0.95
Operating Hours:	>50.000 h L80/B10
Switching Cycles:	>100.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	aluminum
Housing Color	black
Coating:	lacquered
Dimensions	600x300x1950 mm
Net Weight:	13200 g
Warranty	5 years
