

TARONA 150-50-CCT-Select 6050lm 120lm/W GEG

Product information "TARONA 150-50-CCT-Select 6050lm 120lm/W GEG"

elegant, halfround LED battenlight

- stylish and easy installing LED battenlight with invisible mounting clips
- sliding mounting clips for screw installation
- power feed in and through from middle and sides with flexible cable and terminal block for through wiring
- Wide homogenous light distribution 120° and good system efficiency of >120lm/W
- integrated LED driver and CCT select switch: 3000K, 4000K, 5000K
- integrated driver with power select 25, 38, 50W
- Easy installation with screws on concrete, wood or plasterboard ceilings

Applications:

office, school, health care, Fitness, nursing homes, hospital, university, storage rooms

Technical Details:

Luminous Flux	6050 lm
Light Yield:	121 lm/W
Light Temperature:	3000, 4000, 4500, 5000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	4
Power Consumption:	25, 38, 50 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L80/B20
Switching Cycles:	>100.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 45°C
Housing Material:	Aluminium + PC
Housing Color	white
Coating:	powder-coated
Dimensions	1500x79x44 mm
Net Weight:	865 g
Warranty	3 years
