Technical Details:

Luminous Flux	600 lm
Light Yield:	75 lm/W
Light Temperature:	3000,4000 K
Color Rendering Index (CRI)	≥85 Ra
Color Consistency (SDCM):	3
Power Consumption:	8 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L80/B20
Switching Cycles:	>100.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 45°C
Housing Material:	Aluminium + PC
Housing Color	black
Coating:	powder-coated
Dimensions	100x156 mm
Net Weight:	507 g
Warranty	3 years
