- walls and facades
- entrance hall, staircase
- corridor

Technical Details:

| | |
|-----------------------------|-------------------|
| Luminous Flux | 1100 lm |
| Light Yield: | 73 lm/W |
| Light Temperature: | 2700,3000,4000 K |
| Color Rendering Index (CRI) | ≥80 Ra |
| Color Consistency (SDCM): | 5 |
| Power Consumption: | 15 W |
| Power Factor (PF): | 0.9 |
| Operating Hours: | >50.000 h L70/B50 |
| Switching Cycles: | >100.000 |
| Ignition Time: | <1 s |
| Ambient Temperature (TA): | -20°C - 45°C |
| Housing Material: | aluminum |
| Housing Color | black |
| Coating: | powder-coated |
| Dimensions | 300x100x60 mm |
| Net Weight: | 1127 g |
| Warranty | 3 years |
