

# LITEGEAR INTERVENT WRF45 2,4G RF Wall Controller 3-5 Channel

## Technical Details:

|                           |                   |
|---------------------------|-------------------|
| Light Temperature:        | RGB + 2700-6500 K |
| Light Color:              | RGB CCT           |
| Dimmable:                 | ✓                 |
| Method of Dimming:        | Funk              |
| Input Current:            | DC 3V             |
| Ambient Temperature (TA): | -10°C - 40°C      |
| Storage Temperature:      | -20°C - 55°C      |

Information and Downloads:

|                                                     |                        |
|-----------------------------------------------------|------------------------|
| Dimensions:                                         | 85x85x16 mm            |
| Mounting:                                           | Wand                   |
| Montageart:                                         | surface mounted        |
| IP Class:                                           | 20                     |
| Housing Color                                       | white                  |
| Housing Material:                                   | plastic                |
| Special Feature of Housing:                         | RGB CCT wall remote RF |
| Net Weight:                                         | 113 g                  |
| Zones:                                              | 4                      |
| Channels:                                           | 5                      |
| Dimming:                                            | 1-100%                 |
| Programs:                                           | 9                      |
| Transmission Frequency:                             | 2,4 GHz                |
| Weight incl. Packaging:                             | 0.15 kg                |
| Product Line:                                       | Advance Line           |
| Warranty                                            | 3 years                |
| Disposal Obligation:                                | ✓                      |
| Customs Tariff Number:                              | 8526920090             |
| Certifications                                      | CE                     |
| Barcode:                                            | 4250557824895          |
| 3-5 Channel/Kanal Wallontroller 2,4GHz              |                        |
| 4 Zonen, beliebig viele Empfänger                   |                        |
| für Wandmontage, magnetischer Halter                |                        |
| 2 x Batterien 1,5V AAA nicht enthalten              |                        |
| RGB, RGBW, RGB CCT Transmission Freq:2400-2483,5MHz |                        |
