- walls and facades
- entrance hall, staircase
- corridor

Technical Details:

Luminous Flux	700 lm
Light Yield:	70 lm/W
Light Temperature:	2700,3000,4000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	6
Power Consumption:	10 W
Power Factor (PF):	0.9
Operating Hours:	>50.000 h L70/B50
Switching Cycles:	>100.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 45°C
Housing Material:	aluminum
Housing Color	black
Coating:	powder-coated
Dimensions	200x100x60 mm
Net Weight:	710 g
Warranty	3 years
