

TANEYA 80-840-10400LM DALI/Push-Dim 130lm/W

Product information "TANEYA 80-840-10400LM DALI/Push-Dim 130lm/W"

LED office floor lamp

Tanya is an elegant floor lamp for perfect illumination of desks in open-plan offices or single offices. The luminaire only needs a socket near the desk and can therefore be flexibly set up. The combination of direct and indirect light with natural light color 4000 Kelvin ensures homogeneous illumination. The brightness level can be individually adjusted. The lower optical cover is provided to reduce the glare effect UGR < 13 due to DIN EN 12464-1, with a microprismatic diffuser. This technic protects the eyes and increases the concentration at work.

Flat steel foot that can be shoved under the foots of the desk. This floor lamp is delivered in 3 pole parts for a compacter transportation box.

Available in 3 housing colors: black, white, silver

- Very low glare rating
- Push dimming via integrated push button
- very attractive enduser price
- perfect for home office

Technical Details:

Luminous Flux	10400 lm
Light Yield:	130 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Color Consistency (SDCM):	3
Power Consumption:	80 W
Power Factor (PF):	0.95
Operating Hours:	>60.000 h L80/B10
Switching Cycles:	>100.000
Ignition Time:	<0,5 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	aluminum
Housing Color	black
Coating:	lacquered
Dimensions	610x300x2020 mm
Net Weight:	12004 g
Warranty	5 years
