

# ESTELLA STYLE 60-840-7800LM DALI 2.0 DIM WH

## Product information "ESTELLA STYLE 60-840-7800LM DALI 2.0 DIM WH"

ESTELLA STYLE by Litegear® - LED Pendant Light

High-quality, ultra-slim LED pendant light for desks, meeting rooms, and retail spaces. The bidirectional light output (30 W up and down) ensures uniform illumination and is suitable for screen-based work thanks to low glare (UGR< 17).

Dimmable via DALI or push-dim switch, with instant full brightness and energy-efficient LED technology. The sleek aluminum frame with delicate suspension cables adds a modern, elegant touch  
Colors: Black, white, optional silver (on request).

Technical details:

- 50% up light 110° and 50% downlight 90° with 130lm/W
- Dali 2.0 Push dimming
- power cable and suspensions length: 240cm incl. canopy terminal box
