

Movara 100/38-840-3389LM

Product information "Movara 100/38-840-3389LM"

LED Tracklight

Normally you find many tracklights equipped with 70W HQI discharge lamps in shops. Now you can replace those ones with the Litegear® Movara LED tracklight and save over 50% costs for electricity. The beamangle is ideal for lighting up big areas from short distance. The long lifespan of the LEDs will save a lot of follow up cost as you have them with traditional lights. Movara LED Tracklights are available in different light colors.

LED luminaires from Litegear® make your cost calculatable and produce less CO² for a greener environment. LED light produces much less heat, good to reduce costs for air condition to cool your surrounding. The heat of the chips can dissipate through big aluminum heat sinks without any fan to avoid dust coming into the luminaire. The pan and tilt of this tracklight can be adjusted by 350° and 90°.

Applications:

- Shop
- Gas station
- Food lighting
- Supermarket
- Car showroom

Technical Details:

Luminous Flux	3389 lm
Light Yield:	89 lm/W
Light Temperature:	4000 K
Color Rendering Index (CRI)	≥80 Ra
Power Consumption:	38 W
Power Factor (PF):	0.9
Operating Hours:	>30.000 h L70/B50
Switching Cycles:	>30.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-10°C - 40°C
Housing Material:	aluminum
Housing Color	white
Coating:	lacquered
Pivot Range pan:	350 °
Pivot Range tilt:	90 °
Dimensions	174x104x205 mm
Net Weight:	1529 g
Warranty	2 years
