

Luna Flood 80-832-6900LM

Product information "Luna Flood 80-832-6900LM"

LED Flood Light

The Litegear® Luna Flood comes in a compact, high-quality aluminium diecast housing. The Litegear® floodlight is ideally applicable for to be used in work halls as well as to parking bays and architecture lighting. Thanks to the high-quality processing the floodlight can be permanently used in outdoors areas. The built-in preswitch devices are optimised for power factor.

Technical Details:

Luminous Flux	6900 lm
Light Yield:	86 lm/W
Light Temperature:	3200 K
Color Rendering Index (CRI)	≥70 Ra
Power Consumption:	80 W
Power Factor (PF):	0.95
Operating Hours:	>35.000 h L70/B50
Switching Cycles:	>10.000
Ignition Time:	<1 s
Ambient Temperature (TA):	-20°C - 40°C
Housing Material:	aluminum
Housing Color	grey
Coating:	lacquered
Dimensions	395x290x115 mm
Net Weight:	6550 g
Warranty	3 years
