

Element WR MONO DIM RF 01

Technical Details:

|                           |            |
|---------------------------|------------|
| Dimmable:                 | ✓          |
| Method of Dimming:        | Funk       |
| Input Current:            | DC 3V      |
| Output of Driver:         | DC 3V      |
| CC/CV:                    | CV         |
| Ambient Temperature (TA): | 0°C - 35°C |

Information and Downloads:

|                                 |                       |
|---------------------------------|-----------------------|
| Dimensions:                     | 71,2x71,2x11 mm       |
| Montageart:                     | recessed              |
| IP Class:                       | 20                    |
| Housing Color                   | white                 |
| Housing Material:               | plastic               |
| Special Feature of Housing:     | for wall installation |
| Net Weight:                     | 64 g                  |
| Zones:                          | 1                     |
| Channels:                       | 1                     |
| Dimming:                        | 1-100%                |
| Transmission Frequency:         | 433/869,5MHz          |
| Type of Packaging:              | box                   |
| Dimensions of Packaging:        | 110x100x50            |
| Weight incl. Packaging:         | 0.123 kg              |
| Product Line:                   | Advance Line          |
| Warranty                        | 2 years               |
| Certifications                  | CE                    |
| Barcode:                        | 4250557811604         |
| inkl./incl. 3V Batterie/battery |                       |
