

# Casambi Smart Wireless Phasenabschnitt-Dimmer Adapter

## Technical Details:

|                           |                               |
|---------------------------|-------------------------------|
| Dimmable:                 | ✓                             |
| Method of Dimming:        | "Triac Phasenabschnitt", Funk |
| Input Current:            | AC 220-240V, 50/60Hz          |
| Power Consumption:        | 100 W                         |
| Ambient Temperature (TA): | -20°C - 45°C                  |
| Storage Temperature:      | -20°C - 55°C                  |

|                                      |                     |
|--------------------------------------|---------------------|
| Dimensions:                          | 40,4x36,6x14 mm     |
| IP Class:                            | 20                  |
| Housing Color                        | white               |
| Housing Material:                    | plastic             |
| Special Feature of Housing:          | für Einbau geeignet |
| Channels:                            | 1                   |
| Dimming:                             | 1-100%              |
| Type of Packaging:                   | box                 |
| Warranty                             | 2 years             |
| Disposal Obligation:                 | ✓                   |
| Customs Tariff Number:               | 9405499090          |
| Certifications                       | CE                  |
| Bluetooth 4.0 Phasenabschnittdimmer  |                     |
| Zur Funk Dimmung von Leuchtmediumn   |                     |
| Steuerung über App oder Funkschalter |                     |
| Trailing edgedimmer                  |                     |
